Ornamental Horticulture Certificate Program Requirements 2011-2012

Student Name _____
Student ID _____

Program Description Completion of this certificate provides students with a solid foundation of technical knowledge and hands-on skills in the field of ornamental horticulture. Graduates pursue entry-level positions in landscape maintenance, installation or the nursery industry.

Degree Outcomes Outcomes for Edmonds Community College degrees and certificates can be found in the online college catalog at the bottom of each degree or certificate. To find specific outcomes, click on the degree or certificate from the program list in the online catalog at <http://catalog.edcc.edu>.

Common Course Numbering Changes Please refer to www.edcc.edu/ccn for more information.

Credit/Grade Requirements This Certificate requires successful completion of a minimum of **44.5** credits as outlined. A minimum of 30 credits or one-third of the required credits, whichever is less, must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses.

Students are advised to

- Contact Enrollment Services to make an advising appointment and take the ACCUPLACER tests. Placement into BRDGE 093 or higher, as well as MATH 080 or higher is strongly recommended and may be required for some courses
- Plan their schedule several quarters in advance in order to accommodate courses that are offered only once or twice a year, or those that may alternate between day and evening offerings from year to year
- Review the college catalog for required course prerequisites and include these in schedule planning
- Communicate with a horticulture adviser to effectively plan their schedules

Planning Your Graduation Quarterly advising with horticulture faculty is important to assure that students can graduate as planned. During the quarter prior to the one in which students plan to graduate, they should meet with a horticulture adviser and bring copies of transcript evaluations and/or unofficial transcripts and/or requirement sheets to review for compliance with degree requirements.

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/.
