Computer Science C/C++ Developer Certificate of Completion Program Requirements 2011-2012

Student Name _____
Student ID _____

Department Website <http://cs.edcc.edu>

Program Description The C/C++ Developer Certificate is designed for students who wish to gain advanced knowledge of programming concepts using the C and C++ programming languages. The program also meets the needs of computer professionals who need to learn C and C++.

Credit/Grade Requirements All required credits must be earned at Edmonds Community College. Students are required to maintain a minimum cumulative grade point average of 2.0 in all college-level courses as well as a minimum grade point average of 2.5 within the program requirements.

Students Are Advised To

1. Plan their schedule several quarters in advance in order to accommodate courses that are offered only once or twice a year
2. Review the college catalog for required course prerequisites and include these in schedule planning
3. Communicate with a faculty adviser

Graduation Application A completed Certificate of Completion application form should be submitted to Enrollment Services AFTER your final class has been completed. Forms are available at Enrollment Services located in Lynnwood Hall.

Advisers

Contact the Computer Science department at cs@edcc.edu or call 425-640-1902 for an adviser
